• **Day 2** (Rome)

In the morning, we'll enjoy a panoramic tour of Italy's capital, the Eternal City, one of the oldest and most influential cities in Western civilization. We'll combine a walking tour with a panoramic bus ride. During the walking tour, we'll admire the Arch of Constantine, the Colosseum (from the outside), and the impressive Imperial Forums. After that, we'll continue by bus, exploring this open-air-museum city with majestic basilicas and churches, passing by Tiber Island, Lungotevere Avenue, and Castel Sant' Angelo. The tour will finish at Vatican City, an independent state within Rome and the center of the Catholic Church. The afternoon will be free. We recommend visiting St. Peter's Basilica and the Vatican Museums. In the evening, we'll provide a transfer to Trastevere, perfect for a leisurely stroll through its charming, narrow cobblestone streets. This district is rich in hidden gems, from quaint medieval churches and quirky shops selling unique items to everyday scenes of local life. You'll find many trattorias (casual eating establishments, typically less formal than a ristorante) and osterias (similar to taverns), each exuding Italian charm and ready to serve you authentic local dishes. Additionally, the area offers a variety of restaurants serving Indian, Chinese, and international cuisine. We'll return to the hotel at the end of the evening.

We know how important hotels are on your trip. The hotels have been selected taking into consideration quality, price and location. They are located in the cities we visit, most of them not in the city center but all of them with easy access to public transportation nearby. Our accommodation is not based on luxury hotels. Please keep in mind that standards, bed sizes and room dimensions can vary between hotels of the same class in different locations. All rooms are equipped with private bathroom and TV. Some of them also offer a mini-bar, safe box, and hair dryer. Many hotels, mainly in North Europe, do not have air conditioning or local legislation establishes limited dates of use.
